

# How to get a retirement Visa?

If you receive a monthly income of aprox **\$1,000** or more, then you may qualify for the retirement visa.

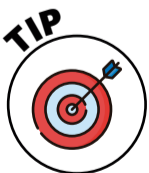

You need the following basic **requirements\***:

## 1. Proof of pension Certificate

A notarized letter issued by the government from the country that the foreign national receives the retirement funds from, with an apostille or legalization stamp. All documents must be translated to Spanish by certified translators in Colombia.

With the new visa rules (Resolution 5477), the pension visa has various new requirements. EPS health insurance is no longer valid insurance for the pension visa. EPS health insurance is also not allowed for new pension visas issued after October 21, 2022!

**Criminal Background Check:** must come from the country you have lived in for the last 3 years. **Medical Health Certificate:** Psychophysical Health Aptitude certificate Issued by Colombian Authority or by the medical health authority of the country of origin. **Health insurance:** can be from Colombia or another country and must cover all risks in case of an accident, illness, maternity, disability, hospitalization, death, or repatriation.
